BOARD NOTES

It is an exciting time for your credit union! President Stafford and her team have made superb progress for you. Along with **new debit cards**, we are thrilled to launch the **new Lexington Postal Community Credit Union app**. Available at the Apple App Store and on Google Play, the app has new features to help you manage your money more easily than ever. You can check balances, make deposits, pay bills, transfer money and much more. We are pleased to announce **Zelle** is now live, too! With Zelle, you can send money to friends and family, even split a tab with someone while out at dinner. Zelle is easy, safe, and fast! To get the app, search for "Lexington Postal Community Credit Union" at either store. Be sure to download it right away and start enjoying the new features.

One of the biggest benefits of membership is **competitive loan rates**. Whether you need a signature loan for an unexpected expense, want to consolidate higher-rate credit card balances, or take out a car loan, LPCCU is here to help. Call, click or stop by the branch to find out more.

Speaking of benefits, protecting life and property are musts. Through LPCCU, you have access to **TruStage**, an 85+ year old company with an A rating

from A.M. Best. Whether you need auto, homeowners, life, or accidental death and dismemberment protection, TruStage is easy and competitive. Go to the LPCCU website and look for TruStage under the Useful Links tab for a quote.

We love welcoming **new members**. If you know a friend or family member who lives, works, or worships in Lexington or the surrounding counties, invite them to join and enjoy the new app, competitive rates and friendly service that come with membership.

Two board seats are now open. Kathy Hummer is retiring after more than 20 years of service, and Carolyn Thompkins has retired also. We are grateful for their dedication and want to extend our heartfelt thanks to each of these wonderful people.

Our **annual meeting** is just around the corner and occurs virtually on Tuesday, May 14, 2024, at 6:30 PM. At the meeting, held via Zoom, you can vote for board members, including the two open seats. Be on the lookout for more information.

Lastly, the credit union exists because of you, the members, and we thank you for your membership.

DON'T GET ENTANGLED IN A PHISHING SCAM!

Members have recently been lured in by phishing scams. Educate yourself so you don't fall for them.

Scammers can falsify the info transmitted to your caller ID display to make it look like they're calling from any number—even the Credit Union! Remember, we will never call you and ask you for your passwords or other account information. Read these tips from the FCC about how to protect yourself: <https://www.fcc.gov/spoofing>.

In Remote Access Scams, a scammer takes it a step further and says they need remote access to your computer to help you with your account. The goal is to get you to log into your bank account, ultimately transferring funds into their account. Giving a stranger remote access to your computer almost always ends poorly. Do not do this! They will sometimes tell you to purchase and transfer gift cards to them in order to get your money back, which never happens. Once you have cooperated in this scheme, there is nothing we can do to get your money back.
